SYNOT

ABOUT SYNOT GROUP

SYNOT Group is an international respected structure of companies operating in more than 45 countries worldwide. It was founded in 1991 and employs approximately 4 000 people. SYNOT's core business is gaming - from cutting-edge gaming equipment, through a wide range of online and casino games with stunning visuals and superior technological attributes, to leading iGaming software solutions. The individual companies of SYNOT Group are also active in a wide spectrum of other business activities - premium BMW cars sales and services, investments in tourism and media, real estate administration, modern security services, support of startup, sport and non-profit sector.
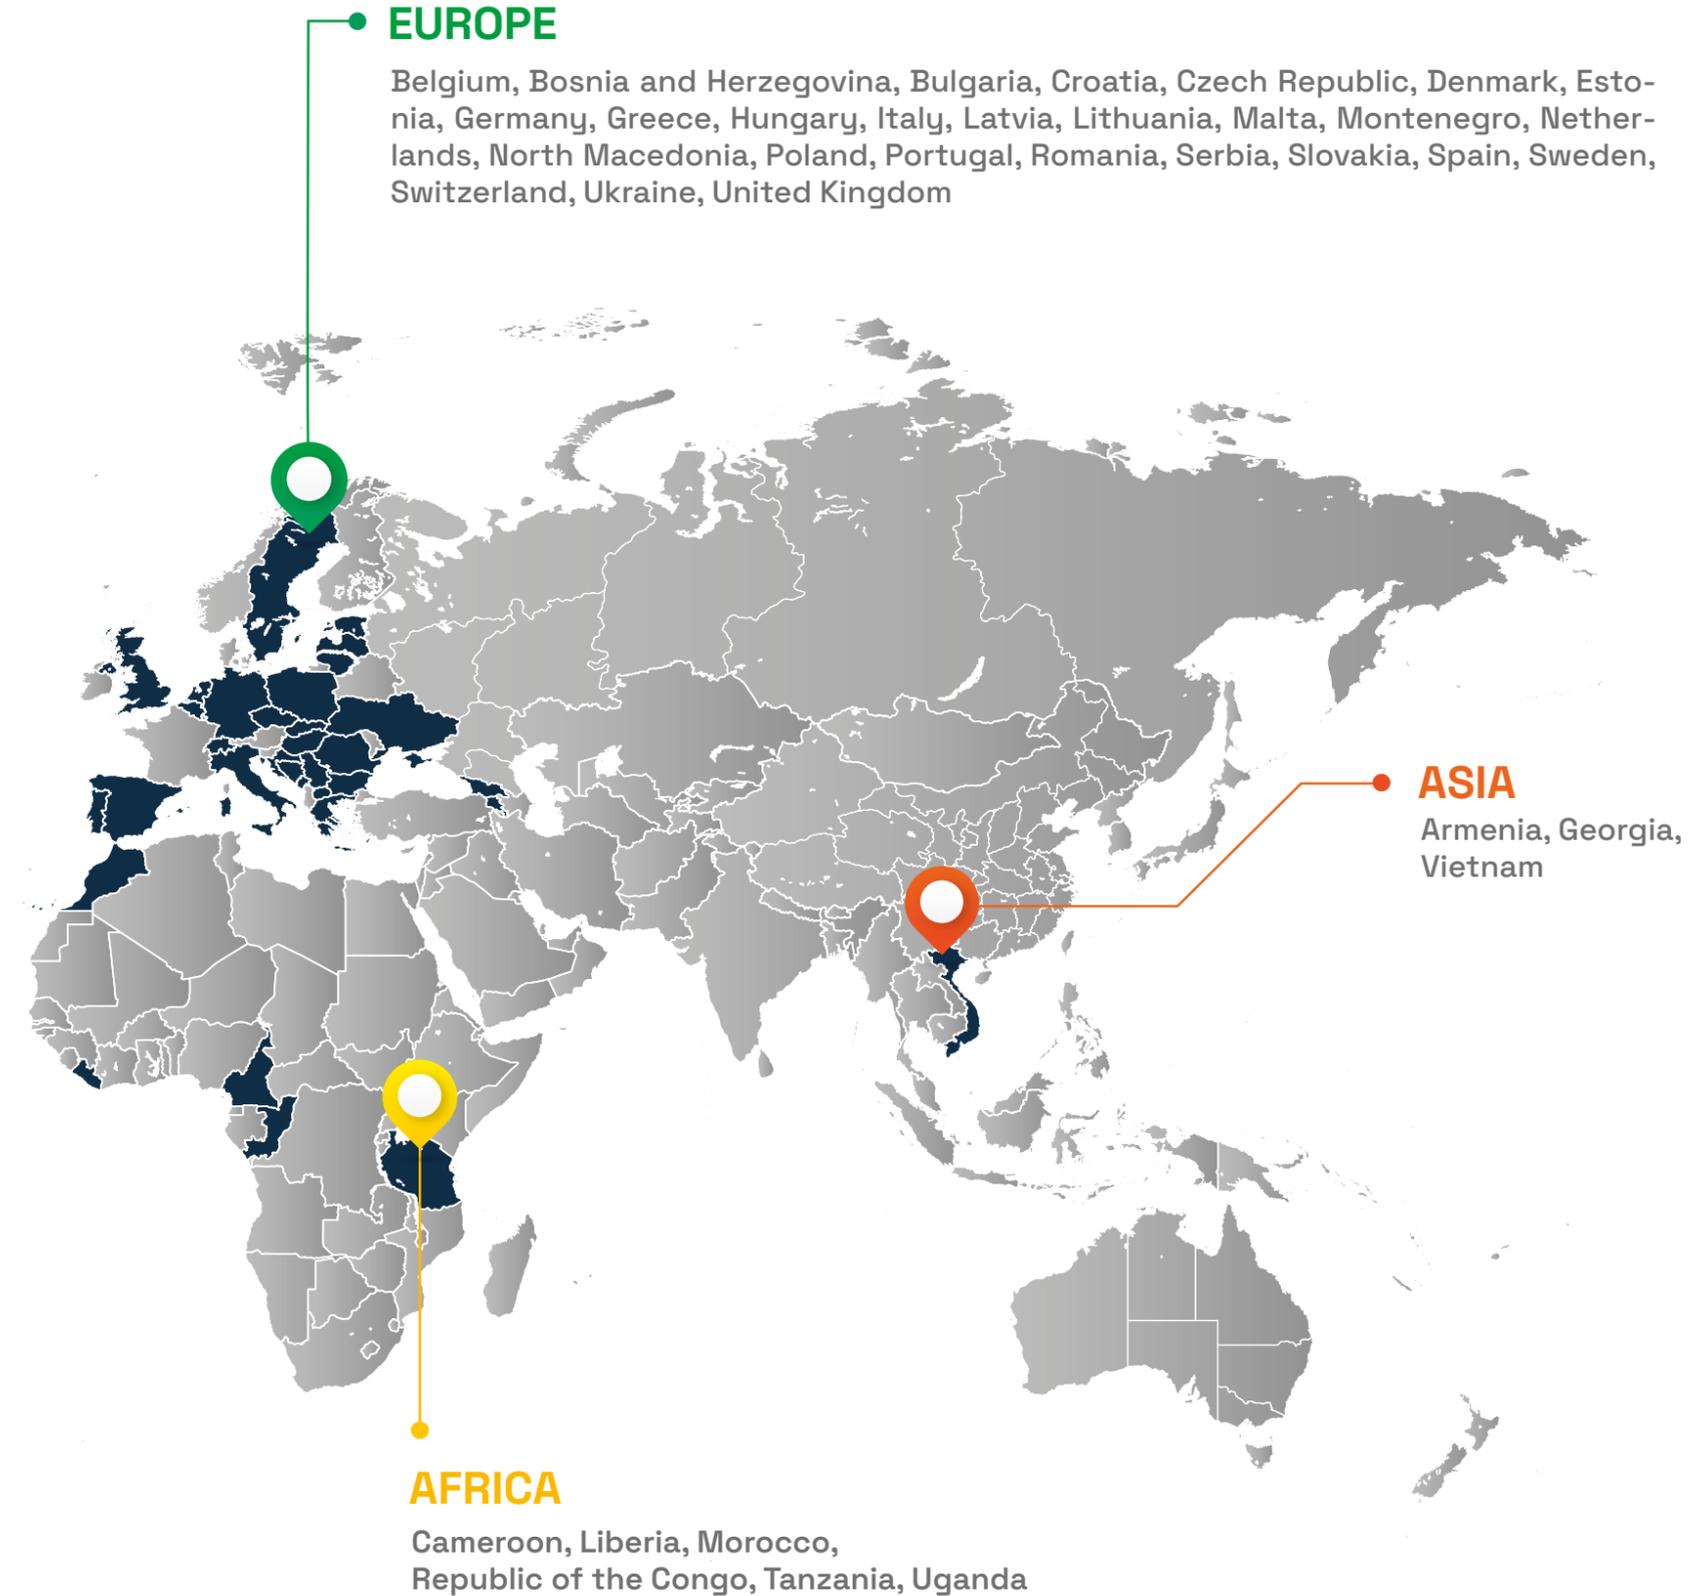

SYNOT Group leverages the internationally acquired know-how, not only in the area of technology and business, but also in the area of legislation, finance and marketing. It operates in the Czech Republic, Greece, Spain, Slovakia, North Macedonia, Serbia, Latvia and many other countries of Europe, Africa, Asia, North, Central and South America. Further expansions are planned to other countries in the future.

The products with SYNOT brand, bringing the ultimate gaming experience, are known to operators and players for its high quality, perfect design and cutting-edge technology. The comprehensive portfolio for both online and land-based operations is also adapted to the specific technical and legislative requirements of many jurisdictions around the world. Nowadays, the company's product line includes a wide range of video lottery terminals, slot machines, jackpot systems, software solutions, games, casino management system and other gaming equipment accessories.

SYNOT's technical innovation and brand new products are showcased every year at the most prestigious international exhibitions of the gaming industry – ICE, Feria Internacional del Juego Madrid, Entertainment Arena Expo Romania, Belgrade Future Gaming, SiGMA and many others.

Capitalizing on partnerships with prominent leading global suppliers as well as on the strategy of technology market innovator, which continuously steers the company towards seeking new solutions, the company's goals are pushed to higher and more ambitious horizons every year.

SUPER LINK

Super Link is an ultimate progressive multigame jackpot system. It offers a symbol-driven link bonus jackpot that is common for all games.

Super Link introduces up to 20 exciting linked game titles, each one of these premium games comes with „Linked bonus" feature that pays instant prizes, Linked jackpots, Bonus wins and much more.

Brand new Pay to Win feature offers player the possibility to directly purchase the "Linked bonus" feature from each of the game titles.

Stunning Linked Mega and Super jackpots are progressive, so all games that have the Linked jackpots and are connected together contribute to the prize. The Mega and Super jackpots are then shared across these games and groups of terminals on the same venue. The jackpots only have the possibility to be won through the "Linked bonus" feature.

The system offers sophisticated FULL HD graphic.
