Progressive Bonus

A 4-level progressive bonus option. It is flexible - can be adapted to operators' necessity

Free Round Bonus

Target specific player segments based on your needs with a variety of custom bonus campaigns, which you can easily manage from the SYNOT Games back-office, or integrate their management directly into your own back-office solution

Buy Feature

Tool that enables players to instantly earn favorite game features. The feature is available to all players on select SYNOT Games slots, which are equipped with a Buy Feature icon

Gamble Feature

Allow your players to double their wins by guessing the color of a card. With the HALVE option, players can choose to risk only half of the win and gamble the rest

Our Portfolio

Player Engagement & Acquisition Kit

Reach the PEAK of your performance!

A cutting-edge retention tool that empowers operators to create and run highly engaging promotions, designed to elevate iGaming experiences through gamification and competition. Seamlessly integrating with existing SYNOT games offerings, PEAK combines advanced technology with a user-friendly design, making it easier than ever for operators to launch compelling promotions

- Enhances Player Engagement & Loyalty
- Increase Interaction
- Achievement of Revenue Goals
- Quick and Easy Promo Management
- Compliance with Regulations

➤ **ENHANCE PLAYER ENGAGEMENT AND ENCOURAGE PLAYERS TO PROLONG THEIR GAMING ACTIVITY BY EFFORTLESSLY MANAGING PEAK PROMOTIONS**

Set up your promotions to run in multiple casinos, on multiple games, in multiple languages and with multiple currencies

Encourage your players to interact with the platform more frequently by preparing recurring short - hourly or individual long-running promotions

➤ **TOURNAMENTS**

The ability for operators to run multiple tournaments simultaneously, combined with real-time player tracking, translation into 32 languages, and customizable eye-catching graphics, makes PEAK a comprehensive solution that simplifies and elevates the promotion process

➤ **PRIZE DROPS**

Helps operators create dynamic experiences and lively gaming atmosphere that keep players engaged and excited. No additional conditions – compliant with strict legislative requirements

➤ **DREAM DIAL**

This interactive spinning promotion awards players with Free Spins, Cash Prizes, Tickets, and more. Designed with a mobile-first approach, Dream Dial delivers an immersive, visually stunning experience that keeps players spinning for more!
